Stainless steel house number Heym 240mm | 0 | Stainless steel, brushed

Product number 704C-VA-1

Product description

Stainless steel house number Heym 240mm

Heym is a house number for all those who like it functional and modern. This house number not only impresses with its clear appearance, but also with its very simple installation. It is fastened from the front with visible stainless steel screws, while spacers ensure the distance to the wall. The numbers are laser-cut from brushed stainless steel sheet and - depending on the design - provide a clear view of the background (house wall) or a coloured painted background. This interplay of colour and stainless steel creates very interesting contrasts.

- House number laser-cut from brushed stainless steel sheet or stainless steel, powder-coated, provides a clear view of the background.
- Mounted at a distance from the wall
- Number height approx. 17.5 cm
- Material thickness 2 mm

Product properties

Mounting type	Screw
Material	Stainless steel V2A 1.4301
House number	House number as laser cut
Surface/colour	Brushed
