# 3-unit (3 x 1) designer flush-mounted mailbox system GOETHE UP - RAL colour of your choice | 100mm depth | with 3 mailboxes (1x3)

**Product number** 215-UP-3W

## Product description

## 3-unit 3x1 design recessed mailbox system GOETHE UP - RAL colour of your choice

High-quality manufactured 3-party recessed mailbox system. The modern GOETHE mailbox is ideal for a sophisticated entrance area. The straight-lined design without a visible lock makes this mailbox appear particularly elegant.

The dimensions of the individual boxes provide a capacity of approx. 16 litres; the large aperture ensures that even C4 envelopes and magazines — or post accumulated during several days of absence — are not creased. The innovative Push-Key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. With the lock positioned as it is, the collection door is designed to prevent your post from falling towards you. An integrated drip edge protects the internal mail optimally from weather. The flap is equipped with high-quality hinge dampers, guaranteeing a quiet closing and preventing rattling caused by weather. The replaceable Plexiglas nameplates can be conveniently operated from the front; for the best appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with an advertising insert (Yes/No).

The GOETHE mailbox systems are distinguished by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-installation is uncomplicated.

**Protected utility model according to DPMA file number DE: 20 2021 101 679.5**

- 3-unit recessed mailbox entirely made of stainless steel.
- Mailboxes made from stainless steel 1.4016 (magnetic stainless steel), powder-coated in RAL colour of your choice.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative Push-Key lock with 2 keys per unit.
- Mail insertion and collection from the front. Insertion flap with high-quality hinge dampers for very quiet mail drop.
- The mailboxes comply with DIN/EN 13724. Aperture size (3.5 cm x 36.0 cm) for C4 landscape; large letters fit without bending.
- Collection doors open from top to bottom, preventing your post from falling out towards you.
- Plexiglas nameplate for name labelling and second nameplate with advertising Yes/No per unit.
- Plaster cover frame made from stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

**Important information:**

To achieve optimal protection of your mail from water, the mailbox or mailbox system should, where possible, be located under a canopy or overhang.

Mail is only protected from water if it is placed entirely inside the box and the insertion flap is closed. Mail that is not fully inserted allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not grounds for complaint.

## Product properties

| | |
|---|---|
| **Surface/colour** | RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white |
