# 5-unit (1x5) freestanding mailbox system GOETHE ST-Q-400 - RAL colour of your choice | 400mm depth | with 5 mailboxes

**Product number** 215-STQ-5S-400

## Product description

## 5-unit 1x5 freestanding mailbox system GOETHE ST-Q-400 - RAL colour of your choice

Freestanding 5-part mailbox system with horizontal compartments, 400 mm depth, and elegant rectangular support elements. The modern GOETHE mailbox is ideal for demanding entrance areas. Its clean-lined design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 32 litres; the large mail slot ensures that DIN C4 envelopes, magazines or post accumulated during several days’ absence are not creased. The innovative Push-Key lock is hidden inside the mailbox. The key is simply inserted into the existing opening (no turning necessary) and the door opens. With the lock arrangement, this mailbox is designed so that the retrieval door prevents your post from falling out. The internal mail is optimally protected from the weather by the water run-off edge. The insertion flap is fitted with high-quality hinge dampers, ensuring quiet closing and eliminating annoying rattling caused by weather. The replaceable plexiglass nameplates can be comfortably operated from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with an 'Advertising Yes/No' insert.

The GOETHE mailbox systems are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part assembly and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the construction design, self-assembly is straightforward.

**Protected utility model according to DPMA file number DE: 20 2021 101 679.5**

- 5-unit freestanding mailbox made of stainless steel and aluminium.
- Mailboxes made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in the RAL colour of your choice.
- Quality manufacture - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative Push-Key lock with 2 keys per compartment.
- Mail insertion and retrieval are from the front. Insertion flap with high-quality hinge dampers for very quiet posting.
- The mailboxes comply with DIN/EN 13724. Insert size (3.5 cm x 36.0 cm) for C4 in landscape orientation — large letters fit without bending.
- Retrieval doors open from top to bottom, so your post cannot fall out towards you.
- Plexiglass nameplate for name labelling and second nameplate with 'Advertising Yes/No' per compartment.
- Optimal protection from rain thanks to rain run-off edges and a rain hood made of 3 mm aluminium AlMg3 W19, powder-coated in the RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in the RAL colour of your choice.
- Rear panel made of 1 mm stainless steel V2A 1.4301, powder-coated in the RAL colour of your choice.
- The W 40 mm x D 80 mm support columns are made of 2 mm stainless steel V2A 1.4301, powder-coated in a RAL colour for in-ground concreting or screw mounting.

**Important information:**

To achieve optimal water protection for your post, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail items are only protected from water if they are placed completely inside the box and the insertion flap is closed. Mail that is not fully pushed in allows moisture and dirt to enter the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not grounds for a complaint.

## Product properties

| | |
|---|---|
| **Surface/colour** | RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white |
