Product description

1-piece stainless steel surface-mounted letterbox design BASIC Plus 382XA AP with newspaper compartment - RAL of your choice

High-quality surface-mounted letterbox for 1 party made in Germany by Briefkasten Manufaktur.

The complete surface-mounted letterbox system is made of stainless steel V2A, powder-coated in RAL colour. The very high-quality workmanship and the well thought-out concept make this letterbox system our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this surface-mounted letterbox system.

The letterbox systems in the BASIC Plus collection are characterised by the consistent use of V2A stainless steel. The result is a very long service life and sustainability. The design has been developed by our own engineers with a view to high flexibility and modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.
