3-compartment stainless steel surface-mounted letterbox Design BASIC Plus 382XA AP with doorbell box - stainless steel V2A | Left | 100mm depth | with 3 mailboxes (2x2) | Stainless steel, brushed

Product number 382XA-VA-3S-SP-100-L

Product description

3-unit stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP with bell box - Stainless steel V2A

High-quality surface-mounted mailbox for 3 households made in Germany by Briefkasten Manufaktur. The complete surface-mounted mailbox unit is made of brushed stainless steel V2A. The very high-quality workmanship and the well thought-out concept make this mailbox unit one of our top sellers. A drip edge for optimal water protection, a continuous rubber lip for quiet insertion, the robust interchangeable nameplate, a practical mail-retaining bar and the very robust lock characterise this surface-mounted mailbox unit.

Thanks to the design, self-installation is straightforward. The mailbox unit is prepared for uncomplicated complete installation; no time-consuming wall mounting of individual boxes is required. 3-unit surface-mounted mailbox unit completely made of stainless steel V2A 1.4301, brushed.

Benefits at a glance

Stainless steel side cladding with weather canopy

Side cladding and canopy are made of brushed stainless steel V2A and complement the unit as a structurally coordinated weather protection.

Generous mail slot

The insertion opening measures 35 × 325 mm and is designed for DIN C4 in landscape format. The mailbox version complies with DIN EN 13724.

Quiet insertion and convenient retrieval

Briefkasten Manufaktur Lippe GmbH

The integrated flap damper with rubber seal reduces impact noise during insertion. The door opens from left to right. The mail-retaining bar holds items back during removal.

Integrated bell and communication area

Bell/communication unit as per the chosen configuration. The stainless steel bell push type 4 is used as the bell button. Optionally prepared with a speaker grille for fitting commercially available intercom systems or flush-mounted speakers. (Intercom system/flush-mounted speaker not included). An optional version with the Comelit Ultra video complete set is also available.

Quality manufacture and considered construction

The unit is manufactured at Briefkasten Manufaktur in Germany. The design is intended for straightforward self-installation.

Equipment and product details

Mailbox unit

Number of mailboxes 3 separately usable mail compartments
Arrangement 2 × 2
Depth 100 mm
Mailbox material Stainless steel V2A 1.4301
Mailbox finish Brushed
Bell/communication unit Bell/communication unit or bell box integrated

Mail and operation

Insertion opening 35 × 325 mm, suitable for DIN C4 in landscape format
Standard DIN EN 13724
Insertion flap Noise-dampened by rubber seal
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate below the insertion flap
