Product description

2-piece surface-mounted letterbox with display case BASIC Plus 389XA AP - 710x660 - RAL of your choice

High-quality wall-mounted letterbox with display case made in Germany by Briefkasten Manufaktur. The ideal solution for simple poster display indoors and outdoors.

The display case is made of aluminium, powder-coated in RAL colour. The display case is suitable for 2x DIN A-4 sheets and has a magnetic back panel in RAL colour and a white text panel in the upper visible area. The glazing is made of toughened safety glass, with integrated ventilation openings to prevent the glass from misting up.

The letterboxes are made of V2A stainless steel, powder-coated in RAL colour. The very high-quality workmanship and the well thought-out concept make this free-standing letterbox our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this free-standing letterbox. The side panelling with protruding rain cover made of V2A stainless steel offers optimum protection against the weather and guarantees a very long service life.

The letterbox systems in the BASIC Plus collection are characterised by the consistent use of V2A stainless steel. The result is a very long service life and sustainability. The design has been developed by our own engineers with a view to high flexibility and modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.
