8-unit 4x2 surface-mounted mailbox system Design BASIC 385A-7016 AP - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | with 8 mailboxes

Product number 385A-7016-8W

Product description

Wide surface-mounted mailbox system BASIC 385A for 8 households – RAL 7016 Anthracite grey

The BASIC 385A surface-mounted mailbox system for 8 households is a robust wall solution for apartment buildings, residential complexes and commercially used properties. The wider W version distributes the mail compartments across a multi-column front and keeps the overall unit proportionally lower and more clearly arranged.

The letterboxes are made from galvanised steel and are powder-coated in RAL 7016 anthracite grey with a fine-textured matt finish. The close-fitting cladding with rain canopy unites the individual compartments into a continuous, modern surface-mounted system.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm insertion aperture is designed for DIN C4 items in portrait orientation. The doors open from left to right; each mailbox is supplied with two keys showing the key number and an interchangeable nameplate located beneath the deposit flap.

Advantages of the BASIC 385A surface-mounted system at a glance

Rain canopy and side cladding

The rain canopy and side panels combine the individual compartments into a continuous surface-mounted system. The coordinated cladding provides a calm front and a neat finish against the facade.

DIN C4 slot and 12-litre capacity

The 300 × 110 × 385 mm (W × H × D) compartments each offer approx. 12 litres of volume. The 35 × 265 mm insertion aperture also accepts larger DIN C4 items in portrait orientation.

Quiet deposit and secure allocation

The rubber lip damps the deposit flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear assignment of the individual compartments.

Mounting rail for wall installation

The surface-mounted system is designed for direct facade installation. A mounting rail facilitates installation; fixings with screws and wall plugs are included in the described configuration.

Robust finish in RAL 7016

The anthracite grey fine-textured finish gives the system a modern appearance and protects the galvanised steel for daily use on the building. The system is manufactured in Germany by Briefkasten Manufaktur Lippe.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 8 separately lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material Galvanised steel, powder-coated in RAL 7016 anthracite grey (fine-textured matt)
Finish RAL 7016 anthracite grey, fine-textured matt
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 in portrait orientation
Deposit flaps With noise-dampening rubber lip
Mail collection Front access
Door opening Opens from left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the deposit flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain canopy Solid, matching design
Mounting type Surface-mounted wall installation
Installation aid Mounting rail
Fixings Screws and wall plugs included; verify suitability for the wall construction on site
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be flat and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems, appropriate fixing solutions must be specified on site.

Note on weather protection

Mail is best protected from moisture and soiling only when items are fully inserted and the deposit flap is closed. Protruding letters or magazines may prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Removal of mail	On the front
Mounting type	Surface-mounted
Number of boxes	with 8 letterboxes
