Product number 803-7016E2-ZF-AP

Product description

Mailbox BRENTANO® with newspaper compartment - Design Elegance 2 - RAL 7016 anthracite grey

The BRENTANO® mailbox with concealed lock and an elegant 100 mm stainless steel faceplate, including name inscription and house number in grey, combines modern design with first-class functionality. Made from high-quality materials and powder-coated, it impresses not only as a stylish design element for your home but also through its durability. The clean lines and careful workmanship make the BRENTANO® mailbox the ideal choice for the highest design standards. Thanks to its robust construction it is particularly weather-resistant and ensures reliable protection of your post. Perfect for anyone who values design and function in harmonious balance.

The generous dimensions of the BRENTANO® design mailbox allow a capacity of approximately 20 litres, so larger items such as C4 envelopes or magazines can be received without creasing — even after several days away. The top entry ensures comfortable handling. In addition, the mailbox is fitted with dampers that ensure the insertion flap closes softly and quietly. The innovative Push-Key lock, concealed inside, allows opening without turning the key — simply insert the key and the door opens effortlessly. The clever arrangement of the lock and the access door prevents your post from falling out when opened. Manufactured from stainless steel, as well as galvanised steel and additionally powder-coated, this mailbox is particularly durable and of high-quality workmanship.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly easy handling: with only one hand you can open the mailbox, remove the post and close it again. Protected by a utility model (DPMA file number DE: 20 2021 101 679.5), this innovation offers real added value.

Thanks to the design, self-assembly is straightforward.

- High-quality surface-mounted mailbox, powder-coated in RAL 7016 anthracite grey.
- Quality manufacturing - Made in Germany
- Design Elegance 2: 100 mm stainless steel faceplate, brushed to 240 grit.
- Innovative Push-Key lock including 2 keys with key number. Comfortable locking without turning the key.
- Mailbox body made of 1.5 mm galvanised steel.
- Access door made of 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retaining plate prevents your post from falling out when opened.
- Top entry.
- The insertion flap has an opening limiter that prevents it from touching the wall. High-quality dampers also ensure the flap closes silently and gently.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large letters fit without bending.
- Newspaper compartment (W x H 400 x 120 mm) made of 1.5 mm galvanised steel, powder-coated. Open on both sides.
- Individual UV- and weather-resistant laser engraving.
- For surface-mounted wall installation; includes mounting screws and spacers.

Important information:

To achieve optimal protection of your post from water, the mailbox or mailbox system should, if possible, be located under a canopy.

Postal items are only protected from water if they are placed completely inside the box and the insertion flap is closed. Items not fully inserted allow moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a reason for complaint.

Product properties
