5-unit 3x2 designer flush-mounted mailbox system GOETHE UP - RAL colour of your choice | 100mm depth | with 5 mailboxes

Product number 215-UP-5

Product description

5-unit 3x2 design recessed mailbox system GOETHE UP - RAL colour of your choice

High-quality manufactured 5-party recessed mailbox system. The modern GOETHE mailbox is ideal for the sophisticated entrance area. The straight-lined design without a visible lock gives this mailbox a particularly elegant appearance.

The dimensions of the individual boxes provide a capacity of approx. 16 litres; the large insertion slot guarantees that DIN C4 envelopes and magazines — or post accumulated after several days' absence — remain uncreased. The innovative Push-Key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. With the arrangement of the lock, this mailbox is designed so that the collection door prevents the post from falling out towards you. The internal post is optimally protected from the weather by the water-drip edge. The insertion flap is fitted with high-quality hinge dampers, ensuring quiet closing and preventing annoying rattling due to weather influences. The interchangeable Plexiglas nameplates can be conveniently accessed from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is equipped with the 'Advertising Yes/No' insert.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part replacement and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-assembly is straightforward.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- 5-unit recessed mailbox completely made from stainless steel.
- Mailboxes made from stainless steel 1.4016 (corrosion-resistant magnetic stainless steel), powder-coated in a RAL colour of your choice.
- Quality manufacture - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative Push-Key lock with 2 keys per unit.
- Letters are inserted and collected from the front. Insertion flap with high-quality hinge dampers for very quiet post insertion.
- The mailboxes comply with DIN/EN 13724. Slot size (3.5 cm x 36.0 cm) for C4 landscape; large envelopes fit in without being folded.
- Collection doors open from top to bottom, so the post cannot fall out towards you.
- Plexiglas nameplate for name labelling and a second nameplate with 'Advertising Yes/No' per unit.
- Optional house number lettering approx. 100–150 mm high.
- Render cover frame made from stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information:

For optimal protection of your post from water, the mailbox or mailbox system should, where possible, be located under a canopy.

Items of post are only protected from water when they are placed completely inside the box and the insertion flap is closed. Post that is not fully inserted may allow moisture and dirt to enter the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not a reason for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
