Flush-mounted letterbox with newspaper compartment & display case BASIC Plus 389 UP - 710x660 - RAL of your choice | Left

Product number 389XU-4-1-ZFG-L

Product description

Flush-mounted letterbox with newspaper compartment & display case BASIC Plus 389 UP - 710x660 - RAL of your choice

High-quality flush-mounted letterbox with display case and closed newspaper compartment, operated with a toggle lock made in Germany by Briefkasten Manufaktur. The ideal solution for simple poster display indoors and outdoors.

The display case is made entirely of aluminium, powder-coated in RAL colour. The display case is suitable for 2x DIN A-4 sheets and has a white, magnetic rear panel and a white text panel in the upper visible area. The glazing is made of toughened safety glass, with integrated ventilation openings to prevent the glass from misting up.

The letterbox is made of V2A stainless steel, powder-coated in RAL colour. The very high-quality workmanship and the well thought-out concept make this free-standing letterbox our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this free-standing letterbox. The side panelling with protruding rain cover made of V2A stainless steel offers optimum protection against the weather and guarantees a very long service life.

The letterbox systems in the BASIC Plus collection are characterised by the consistent use of V2A stainless steel and aluminium. The result is a very long service life and sustainability. The design has been developed by our own engineers with a view to high flexibility and modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.

- **Flush-mounted letterbox system with letterbox made of V2A stainless steel, powder-coated in RAL colour**
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterbox complies with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape, large letters also fit in here without creasing.
- Insertion flap with sound-absorbing rubber seal for very quiet insertion of mail.
- The door can be opened from left to right.
- Incl. 2 keys with key number, interchangeable nameplate (type 2) under the flap and post holder.
- Newspaper compartment with door and toggle lock, powder-coated in RAL colour of choice. Laser inscription in contrasting colour "ZEITUNG".
- **Aluminium display case, powder-coated in RAL colour**
- Suitable for 2x DIN A-4 sheets.
- Glazing made of toughened safety glass / ESG. Integrated ventilation openings to prevent the pane from misting up.
- The visible area has a surface area of W 560 x H 520mm minus text panel H 80mm.
- Text panel made of white acrylic text panel, removable, without text. The text panel can easily be subsequently covered with labelling film. Lighting with environmentally friendly, energy-saving LED technology possible.
- The door can be opened from left to right with security lock incl. 2 keys.
- Magnetic rear panel in RAL colour.
- Square aluminium frame construction with internal corner connectors (no plastic!).
- Plaster cover frame made of stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information:

The post is only protected from moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water can still enter (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.
