Video door station DIVISION 530S with DoorBird D1100E - RAL colour with stainless steel trim

Product number 530S-ES-KSDB1100-1

Product description

DIVISION 530S modular video door station with DoorBird D1100E - RAL colour with stainless steel application

This simple yet elegant doorbell plate blends seamlessly into the building façade. The multi-part front plate made of stainless steel V2A 1.4301 in the colour of your choice is mounted on a 5 mm stainless steel frame and stands out slightly from the house wall. The stainless steel front panel with illuminated bell push in white provides an accent here. The individual front panels can be changed at any time, so the camera model can be replaced even years later. Integrated DoorBird IP Video Door Station D1100E. The DoorBird IP Video Door Station D1100E is the smart solution for your entrance door. The IP video door station can be operated as a stand-alone unit or integrated into an existing smart home platform. Existing, classic installations such as a door chime or an electric door and gate opener can also continue to be used with DoorBird and controlled via the app using a smartphone or tablet.

Our products have a high quality, reliable functionality and their own identity. Made by Briefkasten Manufaktur.

- Door station made of 2 mm stainless steel V2A 1.4301.
- Interchangeable front panels powder-coated in RAL colour of your choice.
- Front panel with bell button in V2A 1.4301 stainless steel, 240 grit polished.
