Product number 803-7016E2-ZF-STBP

Product description

Design freestanding letterbox BRENTANO® ST-BP with newspaper compartment - Design Elegance 2 - RAL 7016 anthracite grey

The BRENTANO® letterbox with an elegant rectangular tube stand element, integrated newspaper compartment, concealed lock and elegant 100 mm stainless steel front panel including name inscription and house number in grey combines modern design with first-class functionality. Manufactured from high-quality materials and powder-coated, it is not only a stylish design element for your home but also convincing for its durability. The clear lines and careful workmanship make the BRENTANO® letterbox the ideal choice for the highest design standards. Thanks to its robust construction it is particularly weather-resistant and ensures reliable protection of your post. Perfect for anyone who values design and function in harmonious balance.

The generous dimensions of the BRENTANO® design letterbox provide a capacity of approx. 20 litres, so larger items such as C4 envelopes or magazines can be received without creasing – even after several days away. The top entry ensures comfortable handling. In addition, the letterbox is equipped with dampers that ensure a soft and quiet closing of the entry flap. The innovative Push-Key lock, concealed internally, allows opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the collection door prevents your post from falling out when opened. Manufactured from stainless steel as well as galvanised steel and additionally powder-coated, this letterbox is particularly durable and of high-quality workmanship.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly simple handling: with just one hand you can open the letterbox, remove the post and close it again. Protected by a utility model (DPMA file number DE: 20 2021 101 679.5), this innovation offers genuine added value.

Thanks to the design, self-assembly is straightforward.

- High-quality freestanding letterbox, powder-coated in RAL 7016 anthracite grey.
- Quality manufacture - Made in Germany
- Design Elegance 2: 100 mm stainless steel front panel, brushed to 240-grit.
- Innovative Push-Key lock including 2 keys with key number. Comfortable locking/closing without using the key.
- Letterbox body made from 1.5 mm galvanised steel.
- Collection door made from 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retaining plate prevents your post from falling out when opened.
- The entry is from the top, and the flap is equipped with an opening limiter and high-quality dampers that allow silent closing.
- The letterbox complies with DIN/EN 13724. Entry size (3.5 cm x 36.0 cm) for C4 horizontally; large letters also fit without folding.
- Newspaper compartment (W x H 400 x 120 mm) made from 1.5 mm galvanised steel, powder-coated. Open on both sides.
- Individual UV- and weather-resistant laser engraving.
- The stand post consists of W 80 mm x D 40 mm stainless steel V2A 1.4301, powder-coated in RAL colour for screw mounting or for concreting into the ground.

Important information:

To achieve optimal protection of your post from water, the letterbox or letterbox system should, where possible, be located under a canopy.

Postal items are only protected from water if they are completely placed inside the box and the entry flap is closed. Post that is not fully inserted allows moisture and dirt to enter the letterbox. This system is protected against the ingress of water in accordance with DIN EN 13724. Water ingress is not a reason for a complaint.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BRENTANO
Functions	Newspaper compartment
Mounting type	Free-standing
House number	House number as laser engraving
