Installation:

The national and international electronic safety regulations must be observed for the installation and operation of this luminaire. Use the four grub screws to loosen the wall plate from the luminaire fitting. Feed the mains cable connection through the cable grommet and fix the wall plate to the mounting base. Push the enclosed silicone tubes over the connecting wires. Connect the protective conductor and electrical connection to the terminal. Insert the light source. Tighten the light fitting and glass to the wall plate using the grub screws.
