2-unit 1x2 designer recessed mailbox system GOETHE UP - RAL colour of your choice | 100mm depth | with 2 letterboxes (1x2)

Product number 215-UP-2S

Product description

2-unit 1x2 design recessed mailbox system GOETHE UP - RAL colour of your choice

High-quality manufactured 2-party recessed mailbox system. The modern GOETHE mailbox is ideal for the demanding entrance area. The straight-line design without a visible lock gives this mailbox a particularly elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large insertion slot guarantees no creased mail even for DIN C4 envelopes and magazines or after several days' absence. The innovative push-key lock is hidden invisibly inside the mailbox. The key is simply inserted into the existing opening (no turning necessary) and the door opens. With the positioning of the lock, this mailbox is designed so that the retrieval door prevents your mail from falling out. Thanks to the water-draining edge, the mail inside is optimally protected from the weather. The insertion flap is equipped with high-quality hinge dampers, ensuring quiet closing and preventing annoying rattling caused by weather. The replaceable nameplates made of plexiglass can be conveniently operated from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with the insert 'Advertising Yes/No'.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare part installation and uncomplicated self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-assembly is straightforward.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- 2-unit recessed mailbox completely made of stainless steel.
- Mailboxes made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL colour of your choice.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative push-key lock with 2 keys per mailbox.
- Letters are inserted and collected from the front. Insertion flap with high-quality hinge dampers for very quiet mail insertion.
- The mailboxes conform to DIN/EN 13724. Slot size (3.5 cm x 36.0 cm) for C4 landscape, allowing large envelopes to be inserted without folding.
- Collection doors open from top to bottom, preventing your mail from falling out.
- Plexiglass nameplate for name inscription and a second nameplate 'Advertising Yes/No' per mailbox.
- Optional house number inscription approx. 70–80 mm high.
- Plaster cover frame made of stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information:

For optimal protection of your mail from water, the mailbox or mailbox system should, if possible, be located under an overhang.

Mail is only protected from water when it is placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress does not constitute grounds for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
