COMELIT Apartment station LS8731 - 5" LOGOS video intercom with hands-free function for 2-wire systems

Product number 1299-LS8731

Product description

Comelit LS8731 - 5" LOGOS video call station with hands-free function for Simplebus 2

Your high-quality indoor monitor for modern access management. Enhance your home or property with the Comelit LS8731, a high-quality 5" video call station from the LOGOS series, perfectly suited for the Simplebus 2 system. It impresses with its clear image display, intuitive operation and professional features - ideal for sophisticated requirements in detached houses and apartment blocks. The LOGOS home stations from COMELIT are simply connected using 2-wire technology. This means that the existing wiring can be used and there are no additional costs for new wiring, plastering or painting work. Simply lay 2 wires from the new power supply unit in the meter cupboard to the built-in loudspeaker or to the video loudspeaker in the function box of the letterbox system, and 2 wires from the power supply unit to the home station in the flat or to the gateway in the distribution box. DONE.

- **5″ colour TFT display (16:9, 800 × 480 px)** - detailed image transmission and high visibility
- **Hands-free function** - convenient communication without handset
- **Four programmable mechanical buttons** - factory-assigned for door opening, memo video, relay control and self-activation
- **Illuminated, tactilely marked buttons** - also suitable for visually impaired users
- **Mute & selection of several ringtones** - with visual display
- **NFC programming via MyComelit app** - even when switched off
- **With storey call and CFP input as standard** - flexibly configurable
- **Robust metal bracket and riser terminal 1214/2C** included
- **Dimensions:** 135 × 170 × 23 mm - compact and attractive for surface mounting

Why the LS8731 is the ideal choice for your project

1. **State-of-the-art control & automation:** NFC and app integration enable quick and flexible settings
2. **Accessible & safe:** Tactile buttons and variably adjustable tones make operation user-friendly.
3. **Customisable:** Additional functions such as panic alarm or relay control can be easily integrated.
4. **High-quality design:** Clear lines and robust workmanship for modern interiors.

Areas of application & compatibility

The Comelit LS8731 is ideal for single-family homes, multi-party properties, offices and commercial premises. It is only compatible with the **Simplebus 2 system**, making it ideal for modern building technology.
