23-unit (8x3) surface-mounted mailbox system Design BASIC 385A-7016 AP - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | with 23 mailboxes

Product number 385A-7016-23W

Product description

Wide surface-mounted mailbox system BASIC 385A for 23 households – RAL 7016 Anthracite grey

The BASIC 385A surface-mounted mailbox system for 23 households is a robust wall-mounted solution for larger apartment buildings, residential complexes and commercial properties. The wider W-version distributes the mailboxes across a multi-column front, keeping the overall system lower in proportion and easy to oversee.

The mailboxes are made from galvanised steel and are powder-coated in RAL 7016 Anthracite grey fine-textured matt. The close-fitting cladding with rain canopy joins the individual compartments into a unified, modern surface-mounted system.

Each mailbox measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm mail slot is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox is supplied with two keys with a key number and a changeable nameplate beneath the mail slot.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain canopy and side cladding

The rain canopy and side panels combine the individual mailboxes into a unified surface-mounted system. The coordinated cladding ensures a calm front and a neat finish at the façade.

DIN C4 mail slot and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) mailboxes each provide approx. 12 litres of volume. The 35 × 265 mm mail slot also accepts larger DIN C4 items in portrait format.

Quiet mail drop and secure allocation

The rubber lip damps the mail flap. Robust locks, two keys with key number and protected changeable nameplates ensure clear assignment of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail facilitates installation; fixing material including screws and wall plugs is included in the described specification.

Robust finish in RAL 7016

The anthracite grey fine-textured finish gives the system a modern appearance and protects the galvanised steel for daily use on the building. The system is manufactured in Germany by Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 23 individually lockable mail compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material Galvanised steel, powder-coated in RAL 7016 Anthracite grey fine-textured matt
Finish RAL 7016 Anthracite grey fine-textured matt
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 in portrait format
Mail flaps With noise-damping rubber lip
Mail retrieval Front access
Door opening Opens from left to right
Keys 2 keys with key number per mailbox
Nameplate Changeable nameplate beneath the mail slot

Cladding and wall mounting

Side cladding Close-fitting design
Rain canopy Robust design matching the system
Mounting type Surface-mounted wall installation
Installation aid Mounting rail
Fixings Screws and wall plugs included; suitability for the on-site wall construction must be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall installation

The wall must be flat and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems (ETICS), appropriate fixing solutions must be specified on site.

Note on weather protection

Mail is only optimally protected from moisture and dirt when items are fully inserted and the mail flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Number of boxes	with 23 letterboxes
Removal of mail	On the front
Mounting type	Surface-mounted
