Surface-mounted mailbox system STORM for 6 households – 3-column – RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | with 6 mailboxes (3x2)

Product number 480A-6W-7016

Product description

Surface-mounted STORM letterbox system for 6 households – RAL 7016 Anthracite grey

With six separate letterboxes, this STORM surface-mounted system is designed for apartment buildings, residential and commercial properties as well as smaller commercial units. The wide layout keeps the overall height comparatively low and ensures comfortable, clear use.

The entire visible letterbox system is made from high-quality, processed galvanised steel. RAL 7016 Anthracite grey fine-textured matt is applied uniformly to the letterboxes, rain hood and side panels, creating a particularly high-quality, modern overall appearance.

Each of the 6 letterboxes features a 35 × 340 mm insertion opening for DIN C4 landscape, a sound-dampening insertion flap with high-quality rubber buffers and a downward-opening access door with opening stop. Mail-retaining bars, separate locks and interchangeable nameplates ensure clear allocation and comfortable use.

The benefits of the STORM surface-mounted letterbox system at a glance

Ideal for apartment buildings and smaller commercial properties

With six separate letterboxes, this STORM surface-mounted system is designed for apartment buildings, residential and commercial properties as well as smaller commercial units. The wide layout keeps the overall height comparatively low and ensures comfortable, clear use.

High-quality construction from galvanised steel

Letterboxes, rain hood and side panels are manufactured from galvanised steel. The robust material base is designed for long-term use in entrance areas and gives the STORM system a solid, high-quality construction.

RAL 7016 Anthracite grey – fine-textured matt

The entire visible system is uniformly powder-coated in RAL 7016 Anthracite grey fine-textured matt. The finely textured, matt surface appears high-quality and modern and can be particularly well matched with contemporary façades, doors and window profiles.

Comfortably insert DIN C4 mail

The 35 × 340 mm insertion openings are designed for DIN C4 mail items in landscape format. Larger envelopes can also be inserted without bending.

Thoughtful everyday comfort

Sound-dampening rubber buffers, downward-opening access doors with opening stops and integrated mail-retaining bars make daily use pleasant. Separate locks and protected interchangeable nameplates provide unambiguous allocation.

Equipment of the STORM surface-mounted letterbox system

Construction and finish

Configuration 3 columns × 2 rows
Letterboxes 6 separately lockable letterboxes
Letterbox material Galvanised steel
Rain hood and side panels Galvanised steel
Finish RAL 7016 Anthracite grey fine-textured matt
Standard Letterboxes in accordance with DIN EN 13724

Mail convenience

Insertion opening 35 × 340 mm per letterbox, suitable for DIN C4 landscape
Insertion flaps With high-quality, sound-dampening rubber buffers
Mail retrieval Front-facing, downward-opening door with opening stop
Mail-retaining bar Integrated in each letterbox
Keys 12 keys in total, 2 per letterbox
Nameplates 6 protected interchangeable nameplates, one per household

Installation and manufacture

Mounting type Surface-mounted wall installation
Mounting screws Included in delivery
Area of use Ideal for apartment buildings and smaller commercial properties
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on weather protection

For the best possible protection of the posted mail we recommend mounting under a canopy or in a sheltered entrance area. Mail items must be fully inserted so that the insertion flaps can close completely.

Note on wall mounting

Briefkasten Manufaktur Lippe GmbH
Werler Straße 60
32105 Bad Salzuflen

Before installation, the load-bearing capacity and condition of the wall must be checked. Depending on masonry, concrete or façade construction, additional anchors or special fastening systems may be required. The supplied mounting screws should be used according to the specific installation situation or be professionally supplemented where necessary.

Product properties

Material	Steel, galvanised
Series	STORM
Number of boxes	with 6 letterboxes
Boxes by volume	Normal > 10 litres
House number	House number as laser engraving
Surface/colour	RAL 7016 anthracite grey
Name labelling	Laser-engraved
Removal of mail	On the front
Mounting type	Surface-mounted
