Product number 382XA-VA-18W-150

Product description

18-unit 6x3 stainless steel surface-mounted mailbox system Design BASIC Plus 382XA AP - stainless steel V2A, brushed

High-quality surface-mounted mailbox system for 18 units, made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made of stainless steel V2A, brushed. The very high-quality workmanship and the well thought-out concept make this mailbox system one of our top sellers. A drip edge for optimal water protection, a continuous rubber lip for quiet posting, the solid interchangeable nameplate, a practical mail retention bracket and the very robust lock characterise this surface-mounted mailbox system.

The mailbox systems of the BASIC Plus collection are distinguished by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility/modularity, easy replacement-part installation and uncomplicated self-assembly. Spare parts for all BASIC Plus systems are readily available.

Thanks to the method of construction, self-assembly is straightforward. The mailbox system is prepared for uncomplicated complete installation; there is no need for elaborate wall mounting of individual boxes.

- 18-unit surface-mounted mailbox system with mailboxes made of stainless steel V2A, brushed.
- The system is produced by Briefkasten Manufaktur. German quality production "Made in Germany".
- The mailboxes comply with DIN/EN 13724. Posting aperture (3.5 cm x 32.5 cm) for C4 in landscape orientation; large letters can be inserted without folding.
- Posting flaps with noise-damping rubber seal for very quiet posting of mail.
- The doors open from left to right.
- Includes 2 keys with key number, interchangeable nameplate beneath the posting flap and a mail retention bracket per mailbox.
- Large capacity through optional mailbox depth +50 mm = approx. 17 l. Suitable for businesses and households with very high mail volumes.
- Includes side panel and rain canopy made of stainless steel V2A, brushed.
- For wall mounting; includes mounting rail and fixing materials (screws + wall plugs).

Important information:

Mail is protected from moisture and soiling only when fully inserted and with the flap closed. Under certain extreme weather conditions, water may still enter (according to DIN EN 13724 up to 1 ccm). This does not constitute grounds for a complaint.

Product properties
