3-unit (3x1) design surface-mounted mailbox system GOETHE AP - RAL colour of choice | 100mm depth | with 3 mailboxes (3x1)

Product number 215-AP-3W

Product description

3-unit (3x1) design surface-mounted mailbox system GOETHE AP - RAL colour of your choice

High-quality, precisely manufactured 3-unit surface-mounted mailbox system for three households. The modern GOETHE mailbox is ideal for sophisticated entrance areas. Its clean-lined design without a visible lock gives this mailbox a particularly elegant appearance.

The dimensions of the individual compartments provide a capacity of approximately 16 litres; the large insertion slot ensures that DIN C4 (landscape) envelopes and magazines — or post accumulated during several days' absence — are not creased. The innovative Push-Key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The position of the lock is designed so that the retrieval door prevents the post from falling out towards you. The internal post is optimally protected from the weather by the drip edge. The insertion flap is fitted with high-quality hinge dampers, ensuring quiet closing and preventing annoying rattling caused by weather. The replaceable Plexiglas nameplates can be easily accessed from the front; for the best appearance we recommend the flush-fitting nameplate with laser engraving (see Accessories). The second nameplate is fitted with an advertising Yes/No insert.

The surface-mounted mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy spare-part installation and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-assembly is uncomplicated.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- High-quality 3-unit surface-mounted mailbox made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailboxes made from stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL colour of your choice.
- Innovative Push-Key lock with 2 keys per unit.
- Insertion and retrieval of mail are from the front. Insertion flap fitted with high-quality hinge dampers for very quiet mail insertion.
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large letters fit without being folded.
- Retrieval doors open from top to bottom, preventing your post from falling out towards you.
- Plexiglas nameplate for name labelling and second nameplate with advertising Yes/No per unit.
- Optimal weather protection through drip edges and a rain canopy made from 3mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Side cladding made from 3mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Incl. mounting rail for wall mounting.

Important information:

To achieve optimum water protection for your post, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not a valid reason for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
