7-unit 4x2 design freestanding letterbox GOETHE ST-Q - RAL colour of your choice | 100mm depth | with 7 mailboxes

Product number 215-STQ-7

Product description

7-unit 4x2 Design freestanding mailbox GOETHE ST-Q - RAL colour of your choice

High-quality manufactured 7-party freestanding mailbox with elegant rectangular stand elements. The modern GOETHE mailbox is ideal for demanding entrance areas. The clean-lined design without a visible lock gives this mailbox a particularly elegant appearance.

The dimensions of the individual boxes allow a capacity of approx. 16 litres; the large slot ensures that DIN C4 envelopes and magazines, or post accumulated during several days' absence, are not creased. The innovative Push-Key lock is concealed inside the mailbox. The key is simply pushed into the existing opening (no turning required) and the door opens. With the position of the lock, this mailbox is designed so that the access door prevents the mail from falling out towards you. Thanks to the water drainage edge, the internal mail is optimally protected from the weather. The insertion flap is fitted with high-quality soft-close dampers, guaranteeing quiet closing and preventing annoying rattling due to weather influences. The replaceable nameplates made of Plexiglas can be conveniently accessed from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is equipped with an Advertising Yes/No insert.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part replacement and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-assembly is uncomplicated.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- 7-unit freestanding mailbox made of stainless steel and aluminium.
- Mailboxes made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL colour of your choice.
- Quality manufacture - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative Push-Key lock with 2 keys per unit.
- Letters are inserted and removed from the front. Insertion flap with high-quality soft-close dampers for very quiet posting of mail.
- The mailboxes comply with DIN/EN 13724. Slot size (3.5 cm x 36.0 cm) for C4 landscape — large envelopes fit in without being folded.
- Access doors open from top to bottom, so the mail cannot fall out towards you.
- Plexiglas nameplate for name labelling and a second nameplate with Advertising Yes/No insert per unit.
- Optimal protection from rain thanks to rain runoff edges and a rain hood made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Rear panel made of 1 mm stainless steel V2A 1.4301, powder-coated in RAL colour of your choice.
- The W 40 mm x D 80 mm support posts consist of 2 mm stainless steel V2A 1.4301, powder-coated in RAL colour, for embedding in concrete or for screw/bolt mounting.

Important information:

To achieve optimal water protection for your mail, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Mail that is not fully inserted allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not grounds for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
