Designer mailbox BRENTANO® - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | without newspaper compartment

Product number 803-7016-AP

Product description

Designer mailbox BRENTANO® - RAL 7016 anthracite grey

The BRENTANO® mailbox combines modern design with maximum functionality, featuring a concealed lock and an elegant inscription for the house number and name. Manufactured from high-quality materials and powder-coated, this mailbox not only provides a stylish focal point for your home but also long-lasting quality. The clear design language and precise workmanship make the BRENTANO® mailbox a timeless solution for the highest demands. Thanks to its robust construction, it is particularly weather-resistant and reliably protects your mail. Ideal for anyone who values a perfect combination of design and function.

The generous dimensions of the BRENTANO® designer mailbox provide a capacity of approximately 20 litres, allowing even larger items such as C4 envelopes or magazines to be received without bending – even after several days away. The top insertion ensures comfortable handling. In addition, the mailbox is equipped with dampers that ensure the insertion flap closes gently and quietly.

The innovative Push-Key lock, invisibly concealed inside, allows opening without turning the key – simply insert the key into the aperture and the door opens effortlessly. The clever arrangement of the lock and the access door prevents your mail from falling out when opened. Made from stainless steel, galvanised steel and additionally powder-coated, this mailbox is particularly durable and of high-quality manufacture.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly easy handling: with just one hand you can open the mailbox, retrieve the post and close it again. Protected by a utility model (DPMA file number DE: 20 2021 101 679.5), this innovation offers real added value.

Thanks to its construction, self-assembly is straightforward.

- High-quality surface-mounted mailbox, powder-coated in RAL 7016 anthracite grey.
- Quality manufacturing - Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Pleasant locking without turning the key.
- Mailbox body made from 1.5 mm galvanised steel.
- Access door made from 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens downwards. The retaining plate prevents the mail from falling out towards you.
- Top insertion.
- The insertion flap has an opening limiter to prevent it touching the wall. In addition, high-quality dampers ensure the flap closes quietly and smoothly.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large letters also fit in without folding.
- Includes self-adhesive and engravable nameplate.
- Individual, UV- and weather-resistant laser engraving with an elegant contrast effect. On dark surfaces the powder coating is precisely removed so that the brushed stainless steel becomes visible as a high-quality base. On light surfaces the engraving appears in a subtle dark grey.
- For surface-mounted wall installation; includes mounting screws and spacers.

Important information:

To provide optimal protection of your post from water, the mailbox or mailbox system should, where possible, be positioned under an overhang.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Mail that is not fully inserted allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not grounds for a complaint.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BRENTANO
