Product description

9-unit 3x3 stainless steel recessed mailbox system BASIC Plus 382XU UP - brushed stainless steel - 9 households

Modern recessed mailbox for 9 households - made in Germany by Briefkasten Manufaktur.

The mailbox is made entirely of V2A stainless steel, brushed. The very high-quality workmanship and the well-thought-out concept make this recessed mailbox one of our bestsellers. A rain drip edge for optimal water protection, a continuous rubber lip for quiet posting, a solid changeable nameplate, a practical mail-retaining bar and a very robust lock characterise this recessed mailbox. The recessed frame made of V2A stainless steel is fitted with a foam rubber seal and guarantees very high durability.

The mailbox systems of the BASIC Plus collection are characterised by the consistent use of V2A stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part assembly and straightforward self-installation. Spare parts for all BASIC Plus systems are available directly.
