Surface-mounted mailbox STORM for 1 household – RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | with 1 mailbox

Product number 480A-1-7016

Product description

Surface-mounted mailbox STORM for 1 household – RAL 7016 Anthracite grey

The STORM surface-mounted mailbox combines a clear, modern design with a high-quality material finish for daily use. It is particularly suitable for single-family homes, semi-detached houses, offices and smaller commercial units.

Mailbox, rain hood and side panels are made from high-quality galvanized steel and fully powder-coated in RAL 7016 Anthracite grey fine-textured matt. This creates a robust, visually unified unit with a particularly valuable and timeless surface.

Each mailbox features a 35 × 340 mm mail slot for DIN C4 landscape, a noise-dampened flap with high-quality rubber buffers and a bottom-opening retrieval door with opening stop. An integrated mail retention bar, separate locking and an interchangeable nameplate provide convenient everyday use.

The advantages of the STORM surface-mounted mailbox system at a glance

Ideal for single-family homes

The STORM surface-mounted mailbox combines a clear, modern design with a high-quality material finish for daily use. It is particularly suitable for single-family homes, semi-detached houses, offices and smaller commercial units.

High-quality construction from galvanized steel

Mailboxes, rain hood and side panels are manufactured from galvanized steel. The robust material base is designed for long-term use in entrance areas and gives the STORM system a solid, high-quality construction.

RAL 7016 Anthracite grey – fine-textured matt

The entire visible system is uniformly powder-coated in RAL 7016 Anthracite grey fine-textured matt. The finely textured, matt surface appears high-quality and modern and pairs particularly well with contemporary façades, doors and window profiles.

Comfortable insertion of DIN C4 mail

The 35 × 340 mm mail slots are designed for DIN C4 letters in landscape format. Larger envelopes can also be inserted without bending.

Thoughtful everyday convenience

Noise-dampening rubber buffers, bottom-opening retrieval doors with opening stops and integrated mail retention bars make daily use pleasant. Separate locks and protected interchangeable nameplates ensure clear allocation.

Equipment of the STORM surface-mounted mailbox system

Construction and finish

Configuration 1 mailbox
Compartments 1 separately lockable mailbox
Mailbox material Galvanized steel
Rain hood and side panels Galvanized steel
Finish RAL 7016 Anthracite grey fine-textured matt
Standard Mailboxes conforming to DIN EN 13724

Mail convenience

Mail slot 35 × 340 mm per mailbox, suitable for DIN C4 landscape
Flaps With high-quality, noise-dampening rubber buffers
Mail retrieval Front-facing, door opens downwards with opening stop
Mail retention bar Integrated in each mailbox
Keys 2 keys with key number
Name plates 1 protected interchangeable nameplate under the flap

Installation and manufacture

Mounting type Surface-mounted wall installation
Mounting screws Included in delivery
Application area Ideal for single-family homes
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on weather protection

For optimal protection of delivered mail we recommend installation under a canopy or in a sheltered entrance area. Mail items must be fully inserted so that the flaps can close completely.

Note on wall mounting

Before installation, the load-bearing capacity and condition of the wall must be checked. Depending on masonry, concrete or façade construction, additional wall plugs or special fastening systems may be required. The enclosed mounting screws should be used as appropriate for the specific installation situation or professionally supplemented.
