Recessed mailbox GOETHE UP with newspaper compartment - Design Elegance 2 - RAL colour of your choice | with newspaper compartment | 200mm depth

Product number 215-UP-E2-ZF-1-200

Product description

Recessed mailbox GOETHE UP with newspaper compartment - Design Elegance 2 - RAL colour of your choice

The modern recessed mailbox GOETHE is ideal for a sophisticated entrance area. Its clean-lined design without a visible lock gives this mailbox an especially elegant appearance. The contemporary look with stainless steel trim complements many of the latest front door models perfectly.

The dimensions of the single box provide a capacity of approx. 16 or 32 litres; the large slot ensures that DIN C4 envelopes and magazines — or mail accumulated during several days away — are not crumpled. The innovative Push-Key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. With the lock positioned as it is, this mailbox is designed so that the access door prevents your post from falling out towards you. Thanks to the drip edge, items inside are optimally protected from the weather. The deposit flap is fitted with high-quality axle dampers, ensuring a quiet closing and preventing rattling caused by weather conditions.

The newspaper compartment is particularly convenient because the newspaper can be placed in completely. This protects the newspaper from the weather and allows it to be stored without creasing. To retrieve it, simply open the flap upwards and remove the newspaper comfortably.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part installation and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-assembly is straightforward.

Protected utility model under DPMA file number DE: 20 2021 101 679.5

- Recessed mailbox completely made of stainless steel.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Replaceable stainless steel appliqués V2A 1.4301, brushed to 240 grit.
- Mailbox (W x H 400 x 400 mm) made of stainless steel 1.4016 (non-rusting, magnetic stainless steel), powder-coated in RAL colour of your choice.
- Innovative Push-Key lock with 2 keys.
- Letters are inserted and retrieved from the front. Deposit flap with high-quality axle dampers for very quiet insertion of post.
- The mailbox complies with DIN/EN 13724. Slot size (3.5 cm x 36.0 cm) for C4 landscape — large envelopes fit without bending.
- Access door opens from top to bottom, preventing your post from falling towards you.
- Optional name lettering approximately 10–25 mm high.
- Optional house number lettering approximately 50–80 mm high.
- Newspaper compartment (W x H 400 x 200 mm) made of stainless steel 1.4016 (non-rusting, magnetic stainless steel), powder-coated in RAL colour of your choice with stainless steel appliqué and laser engraving "NEWSPAPER" (font ARIAL; if name/house number is chosen, this will use your selected font).
- The newspaper compartment opens from bottom to top.
- Plaster cover frame made of stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information:

To achieve optimal protection of your post from water, the mailbox or mailbox system should ideally be positioned under a canopy.

Postal items are only protected from water when they are fully placed inside the box and the deposit flap is closed. Partially inserted post allows moisture and dirt to enter the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not grounds for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), Brushed, RAL 9007 grey aluminium, RAL 9016 traffic white
