Designer freestanding letterbox BRENTANO® ST-BP with newspaper compartment - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt

Product number 803-7016-ZF-STBP

Product description

Designer freestanding mailbox BRENTANO® ST-BP with newspaper compartment - RAL 7016 anthracite grey

The BRENTANO® mailbox with elegant rectangular tube stand element, integrated newspaper compartment and invisible lock combines modern design with first-class functionality. Manufactured from high-quality materials and powder-coated, it not only impresses as a stylish design element for your home but also through its durability. The clear lines and careful workmanship make the BRENTANO® mailbox the ideal choice for the highest design standards. Thanks to its robust construction it is particularly weather-resistant and provides reliable protection for your post. Perfect for those who value design and function in harmonious balance.

The generous dimensions of the BRENTANO® design mailbox allow a capacity of approx. 20 litres, so larger items such as C4 envelopes or magazines can be received without folding – even after several days away. The top insertion ensures comfortable handling. In addition, the mailbox is equipped with dampers that ensure a smooth and quiet closing of the insertion flap. The innovative Push-Key lock, hidden invisibly inside, allows opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the collection door prevents your post from falling out when opened. Made from stainless steel, as well as galvanised steel and additionally powder-coated, this mailbox is particularly durable and of high quality.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows especially easy handling: you can open the mailbox, remove the post and close it again using only one hand. Protected by a utility model (DPMA file number DE: 20 2021 101 679.5), this innovation offers real added value.

Thanks to its construction, self-assembly is straightforward.

- Premium manufactured freestanding mailbox, powder-coated in RAL 7016 anthracite grey.
- Quality manufacture - Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Convenient locking without having to turn the key.
- Mailbox body made of 1.5 mm galvanised steel.
- Collection door made of 1.5 mm stainless steel V2A 1.4301 with opening restrictor, opens from top to bottom. The retaining plate prevents your post from falling out.
- Insertion from above; the flap is equipped with an opening restrictor and high-quality dampers that enable silent closing.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 (landscape) — large letters fit without being folded.
- Newspaper compartment (W x H 400 x 120 mm) made of 1.5 mm galvanised steel, powder-coated. Open on both sides.
- Includes self-adhesive nameplate suitable for engraving.
- Individual, UV- and weather-resistant laser engraving with an elegant contrast effect. On dark surfaces the powder coating is precisely removed so that the brushed stainless steel becomes visible as a high-quality substrate. On light surfaces the engraving appears in a subtle dark grey.
- The stand post consists of W 80 mm x D 40 mm stainless steel V2A 1.4301, powder-coated in a RAL colour for screw mounting or for embedding in concrete.

Important information:

To achieve optimal water protection for your post, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water if it is placed completely inside the mailbox and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not grounds for a complaint.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BRENTANO
Functions	Newspaper compartment
Mounting type	Free-standing
