15 5x3 stainless steel flush-mounted letterbox system BASIC Plus 382XU UP - polished stainless steel - 15 parties | 100mm depth | with 15 mailboxes | Stainless steel, brushed

Product number 382XU-VA-15-100

Product description

15-unit (5x3) stainless steel recessed mailbox system BASIC Plus 382XU UP - brushed stainless steel - 15 households

Modern recessed mailbox for 15 households - made in Germany by Briefkasten Manufaktur.

The mailbox system is made entirely of stainless steel V2A, brushed. The very high-quality workmanship and the well-thought-out concept make this recessed mailbox one of our bestsellers. A rain drip edge for optimal water protection, a continuous rubber lip for quiet posting, the solid interchangeable nameplate, a practical mail retention bracket and the very robust lock characterise this recessed mailbox. The recessed frame made of stainless steel V2A is fitted with a foam rubber seal and guarantees very high durability.

The mailbox systems of the BASIC Plus collection are characterised by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility/modularity, easy replacement-part assembly and straightforward self-installation. Spare parts for all BASIC Plus systems are directly available.

- 15-compartment recessed mailbox system entirely made of stainless steel V2A 1.4301, 240-grit brushed.
- The system is produced at Briefkasten Manufaktur. German quality manufacturing "Made in Germany".
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape; large letters also fit in here without folding.
- Insertion flap with noise-damping rubber seal for very quiet posting of mail.
- The door opens from left to right.
- Includes 2 keys with key number, interchangeable nameplate (Type 2) under the insertion flap and mail retention bracket.
- Large capacity with optional mailbox depth +50 mm = approx. 17 l. Suitable for businesses and households with very high mail volumes.
- Plaster cover frame made of stainless steel angle profile 25 x 58 mm, 240-grit brushed.

Important information:

Mail is only protected from moisture and dirt when fully inserted and with the flap closed. Under certain extreme weather conditions, water may still enter (according to DIN EN 13724 up to 1 cm³). This does not constitute grounds for a complaint.

Product properties

Series	BASIC
Boxes by volume	Normal > 10 litres
