23-unit 8x3 surface-mounted mailbox system Design BASIC 385A AP - stainless steel - RAL 7016 anthracite | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey | with 23 mailboxes

Product number 385A-7016VA-23W

Product description

Wide surface-mounted mailbox system BASIC 385A for 23 households – BI-Color RAL 7016 / Stainless steel

The BASIC 385A surface-mounted mailbox system for 23 households is a robust wall solution for larger multi-family houses, residential complexes and commercial properties. The wider W version distributes the mailboxes across a multi-column front and keeps the overall system proportionally lower and clear.

The BI-Color version combines anthracite-grey powder-coated mailbox bodies with brushed stainless-steel V2A elements. The material contrast gives the BASIC system a high-quality, modern appearance.

Each mailbox measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm mail slot is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox includes two keys with key number and an interchangeable nameplate located beneath the mail flap.

Advantages of the BASIC 385A surface-mounted system at a glance

Weather canopy and side panels

The canopy and side panels unite the individual mailboxes into a single, enclosed surface-mounted system. The coordinated cladding provides a calm front and a neat finish to the façade.

DIN C4 mail slot and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) mailboxes each offer approx. 12 litres of volume. The 35 × 265 mm mail slot also accepts larger DIN C4 items in portrait format.

Quiet mail drop and secure allocation

The rubber lip cushions the mail flap. Robust locks, two keys with key numbers and protected interchangeable nameplates ensure a clear assignment of each mailbox.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade mounting. A mounting rail simplifies installation; fixing materials with screws and wall plugs are included in the described configuration.

BI-Color in anthracite and stainless steel

RAL 7016 Anthracite grey fine-structure matt is combined with brushed stainless-steel accents to create a striking material contrast. The system is manufactured in Germany by Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 23 separately lockable mail compartments
Individual box 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material BI-Color: galvanised steel in RAL 7016 with stainless-steel V2A accents
Finish RAL 7016 Anthracite grey fine-structure matt / Brushed stainless steel V2A
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 portrait
Mail flaps With noise-damping rubber lip
Mail removal From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the mail flap

Cladding and wall mounting

Side cladding Close-fitting design
Canopy Robust canopy matching the system
Installation type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; suitability for the wall structure on site must be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall installation

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs are only to be used if they are suitable for the existing wall structure; for other substrates or external thermal insulation composite systems appropriate fixing solutions must be specified on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Number of boxes	with 23 letterboxes
Removal of mail	On the front
Mounting type	Surface-mounted
