Product number 789-PIKTO-BK-VA

Product description

Self-adhesive pictogram "LETTER" - 240-grit brushed stainless steel

The self-adhesive "LETTER" pictogram made of high-quality stainless steel is the ideal addition to letterbox systems and provides a clear, durable labelling of the letterboxes. The finely brushed surface with a 240-grit finish gives the sign a modern, high-quality appearance – perfectly matched to our letter and parcel box systems. The pictogram is self-adhesive and can be applied to smooth surfaces quickly, easily and permanently – no drilling or screws required. The high-quality adhesive ensures a secure hold – even during long-term outdoor use.

A key advantage: the language-independent pictogram is universally understood by delivery personnel and users, regardless of their native language. This ensures clear and intuitive use of the letterboxes – even in residential complexes with international residents or with changing delivery services. Ideally suited for all letter and parcel box systems from Briefkasten Manufaktur – for clear, professional labelling with durable "Made in Germany" quality.
