8-unit 4x2 surface-mounted mailbox system Design BASIC 385A-9016 AP - RAL 9016 traffic white | RAL 9016 Traffic White, fine-textured matt | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | with 8 mailboxes

Product number 385A-9016-8W

Product description

Wide surface-mounted mailbox system BASIC 385A for 8 households – RAL 9016 Traffic White

The BASIC 385A surface-mounted mailbox system for 8 households is a robust wall-mounted solution for apartment buildings, residential complexes and commercial properties. The wider W version distributes the mailboxes across a multi-column front and keeps the overall system lower and more compact.

The mailboxes are made of galvanised steel and are powder-coated in RAL 9016 Traffic White with a fine-textured matt finish. The light surface provides a clear, understated design for modern entrance areas.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm mail slot is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox is supplied with two keys with key number and an interchangeable nameplate located under the insertion flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain hood and side cladding

The rain hood and side panels combine the individual mailboxes into a closed surface-mounted system. The coordinated cladding ensures a calm front and a neat finish to the façade.

DIN C4 aperture and 12-litre capacity

The 300 × 110 × 385 mm (W × H × D) compartments each provide approx. 12 litres of volume. The 35 × 265 mm insertion aperture also accepts larger DIN C4 items in portrait format.

Quiet insertion and secure allocation

The rubber lip damps the insertion flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear allocation of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade mounting. A mounting rail facilitates installation; fixings with screws and wall plugs are included in the described configuration.

Light surface in RAL 9016

Traffic White in a matt fine-textured finish appears bright and straightforward while protecting the galvanised steel construction of the surface-mounted system. The system is manufactured in Germany at the Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 8 individually lockable compartments
Individual compartment 300 × 110 × 385 mm (W × H × D)
Capacity Approx. 12 litres per mailbox
Material Galvanised steel, powder-coated in RAL 9016 Traffic White, fine-textured matt
Surface RAL 9016 Traffic White, fine-textured matt
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 portrait
Insertion flaps With noise-damping rubber lip
Mail removal From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate below the insertion flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain hood Solid, matching the system
Installation type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings included Screws and wall plugs included; suitability for the on-site wall construction must be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems (ETICS), appropriate fixing solutions must be specified on site.

Note on weather protection

Mail is best protected against moisture and dirt only when items are fully inserted and the insertion flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Removal of mail	On the front
Mounting type	Surface-mounted
Number of boxes	with 8 letterboxes
Surface/colour	RAL 9016 traffic white
