3 x 2 stainless steel flush-mounted letterbox system BASIC Plus 382XU UP - polished stainless steel - 3 parties | 100mm depth | with 3 mailboxes (2x2) | Stainless steel, brushed

Product number 382XU-VA-3-100

Product description

3-unit 2x2 stainless steel recessed letterbox system BASIC Plus 382XU UP - brushed stainless steel - 3 households

Modern recessed letterbox for 3 households - made in Germany by Briefkasten Manufaktur.

The letterbox is made entirely from stainless steel V2A, brushed. The very high-quality workmanship and the well thought-out concept make this recessed letterbox one of our top sellers. A rain drip edge for optimal water protection, a continuous rubber lip for quiet posting, the solid interchangeable name plate, a practical mail retention bar and the very robust lock characterise this recessed letterbox. The recessed frame made from stainless steel V2A is fitted with a foam rubber seal and guarantees very high durability.

The letterbox systems of the BASIC Plus collection are characterised by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part assembly and straightforward self-installation. Spare parts are directly available for all BASIC Plus systems.

- 3-fold recessed letterbox system made completely from stainless steel V2A 1.4301, 240-grit brushed finish.
- The system is manufactured at the Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Inlet size (3.5 cm x 32.5 cm) for C4 in landscape orientation; large letters also fit in here without being folded.
- Inlet flap with noise-dampening rubber seal for very quiet posting of mail.
- The door opens from left to right.
- Includes 2 keys with key number, interchangeable name plate (type 2) under the inlet flap and mail retention bar.
- Large capacity with optional letterbox depth +50 mm = approx. 17 litres. Suitable for businesses and households with very high mail volumes.
- Plaster cover frame made from stainless steel angle profile 25 x 58 mm, 240-grit brushed finish.

Important information:

Mail is only protected from moisture and dirt when fully inserted and the flap is closed. Under certain extreme weather conditions water may still enter (according to DIN EN 13724 up to 1 cm³). This does not constitute grounds for a complaint.

Product properties

Series	BASIC
Boxes by volume	Normal > 10 litres
