12-unit (6×2) designer flush-mounted mailbox system GOETHE UP - RAL colour of your choice | 100mm depth | with 12 mailboxes

Product number 215-UP-12-100

Product description

12-unit 6x2 design recessed mailbox system GOETHE UP - RAL colour of your choice

High-quality manufactured 12-resident recessed mailbox system. The modern GOETHE mailbox is ideal for distinguished entrances. Its clean-lined design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large letter slot ensures that DIN C4 envelopes and magazines, or mail accumulated during several days’ absence, do not arrive creased. The innovative Push-Key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The position of the lock is designed so that the retrieval door prevents the mail from falling out towards you. The internal mail is optimally protected from the weather by the water-drip edge. The letter flap is equipped with high-quality hinge dampers, ensuring quiet closing and preventing annoying rattling caused by weather. The interchangeable Plexiglas nameplates can be easily operated from the front; for an optimal appearance we recommend the flush-fitting nameplate with laser engraving (see Accessories). The second nameplate includes an advertising insert Yes/No.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy spare-part installation and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-assembly is straightforward.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- 12-unit recessed mailbox system made entirely of stainless steel.
- Mailboxes made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL colour of your choice.
- Quality manufacture - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative Push-Key lock with 2 keys per mailbox.
- Letters are inserted and retrieved from the front. Letter flap with high-quality hinge dampers for very quiet mail insertion.
- The mailboxes comply with DIN/EN 13724. Slot size (3.5 cm x 36.0 cm) for C4 landscape; large letters also fit without being creased.
- Collection doors open from top to bottom, preventing the mail from falling out towards you.
- Plexiglas nameplate for name inscription and a second nameplate with advertising Yes/No per mailbox.
- Plaster cover frame made of stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information:

To achieve optimal water protection for your mail, the mailbox or mailbox system should, if possible, be located under a canopy.

Mail is only protected from water when it is placed completely inside the box and the letter flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress does not constitute grounds for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
