22-unit (8x3) surface-mounted mailbox system Design BASIC 385A AP - stainless steel, RAL 7016 anthracite | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey | with 22 mailboxes

Product number 385A-7016VA-22W

Product description

Wide surface-mounted mailbox system BASIC 385A for 22 units – BI-Color RAL 7016 / Stainless steel

The BASIC 385A surface-mounted mailbox system for 22 units is a robust wall solution for larger apartment buildings, residential complexes and commercial properties. The wider W version distributes the mailboxes across a multi-column front and keeps the overall system lower in proportion and easy to overview.

The BI-Color version combines anthracite grey powder-coated mailbox bodies with brushed stainless steel V2A elements. The material contrast gives the BASIC system a high-quality, modern appearance.

Each mailbox measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm insertion opening is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox is supplied with two keys with a key number and a changeable nameplate beneath the insertion flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain canopy and side cladding

The rain canopy and side panels join the individual mailboxes into a closed surface-mounted system. The coordinated cladding ensures a calm front and a neat finish at the façade.

DIN C4 insertion and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) mailboxes each offer approx. 12 litres of volume. The 35 × 265 mm insertion opening also accepts larger DIN C4 items in portrait format.

Quiet insertion and secure allocation

The rubber lip damps the insertion flap. Robust locks, two keys with key number and protected changeable nameplates ensure clear allocation of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail facilitates installation; fixing materials with screws and plugs are included in the described version.

BI-Color in anthracite and stainless steel

RAL 7016 Anthracite grey fine-textured matt is combined with brushed stainless steel accents, creating a striking material contrast. The system is manufactured in Germany by the mailbox manufactory.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 22 separately lockable mailboxes
Single mailbox 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material BI-Color: galvanised steel in RAL 7016 with stainless steel V2A accents
Finish RAL 7016 Anthracite grey fine-textured matt / brushed stainless steel V2A
Standard DIN EN 13724

Mail and operation

Insertion opening 35 × 265 mm, suitable for DIN C4 portrait
Insertion flaps With sound-damping rubber lip
Mail retrieval From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Changeable nameplate beneath the insertion flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain canopy Robust, system-matching design
Mounting type Surface-mounted wall installation
Assembly aid Mounting rail
Fixing materials Screws and plugs included; check suitability for the wall construction on site
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall installation

The wall must be even and sufficiently load-bearing. The supplied screws and plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems appropriate fixing solutions must be specified on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the insertion flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Number of boxes	with 22 letterboxes
Surface/colour	RAL 7016 anthracite grey, Brushed
Removal of mail	On the front
Mounting type	Surface-mounted
