Module with add-on socket - JUNG ES2990KLUSB - USB charger 1 x Type A + 1 x Type C with stainless steel hinged cover | RAL 7016 Anthracite grey, fine texture, matt

Product number BML-9860-STKD-376-ES2990KLUSB-7016

Product description

Module with USB charger - JUNG USB 15 CA SW with folding cover ES 2990 KL USB in stainless steel

The modular USB charging module is the suitable addition for modular ORDO socket columns and enables convenient charging of mobile devices directly at the unit. It combines the JUNG USB charger USB 15 CA SW with a high-quality stainless steel central plate including a folding cover with return spring.

The module has been designed for use in ORDO socket columns. It is inserted into the designated module slot and securely fixed. The well-thought-out construction allows neat integration and easy replacement of individual modules during expansions or maintenance work.

- USB charger JUNG USB 15 CA SW with 1 USB Type-A socket and 1 USB Type-C socket.
- Allows simultaneous connection of 2 devices.
- Charging current: max. 3000 mA, power consumption 15 W.
- Screw fastening, without mounting clips.
- Folding cover ES 2990 KL USB with return spring, including central plate and "Charger" symbol.
- Protection class IP44 (splash water).
- Module colour: RAL 7016 anthracite grey, fine-textured matt.
- Module dimensions: 100 x 100 x 55 mm (W x H x D).
