7-unit 4x2 design flush-mounted mailbox system GOETHE UP - RAL colour of your choice | 100mm depth | with 7 mailboxes

Product number 215-UP-7-100

Product description

7-unit 4x2 design flush-mounted mailbox system GOETHE UP - RAL colour of your choice

High-quality manufactured 7-party flush-mounted mailbox system. The modern GOETHE mailbox is ideal for an upscale entrance area. Its clean-lined design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large slot ensures that DIN C4 envelopes, magazines or mail after several days' absence are not creased. The innovative push-key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The position of the lock is designed so that the collection door prevents your mail from falling out. Thanks to the water drainage edge, the mail inside is optimally protected from the weather. The flap is fitted with high-quality hinge dampers, ensuring quiet closing and preventing annoying rattling caused by weather. The replaceable Plexiglas nameplates can be easily operated from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate includes an advertising Yes/No insert.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with regard to high flexibility and modularity, easy spare part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-installation is uncomplicated.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- 7-unit flush-mounted mailbox system entirely made of stainless steel.
- Mailboxes made of stainless steel 1.4016 (corrosion-resistant magnetic stainless steel), powder-coated in RAL colour of your choice.
- Quality manufacture - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative push-key lock with 2 keys per unit.
- Letters are posted and retrieved from the front. Insertion flap with high-quality hinge dampers for very quiet mail insertion.
- The mailboxes comply with DIN/EN 13724. Slot size (3.5 cm x 36.0 cm) for C4 landscape; large letters fit in without being folded.
- Collection doors open from top to bottom, preventing your mail from falling out.
- Plexiglas nameplate for name labelling and a second nameplate with advertising Yes/No per unit.
- Plaster cover frame made from stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information:

To achieve optimal water protection for your mail, the mailbox or mailbox system should, if possible, be situated under a canopy.

Mail is only protected from water if it is placed completely inside the box and the flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a reason for complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
