Designer mailbox BRENTANO® with newspaper compartment - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | with newspaper compartment

Product number 803-7016-ZF-AP

Product description

Design mailbox BRENTANO® - RAL 7016 anthracite grey

The BRENTANO® mailbox with a concealed lock combines modern design with first-class functionality. Manufactured from high-quality materials and powder-coated, it not only serves as an elegant design element for your home but also impresses with its durability. The clean lines and careful workmanship make the BRENTANO® mailbox the ideal choice for the highest design standards. Thanks to its robust construction it is particularly weather-resistant and ensures reliable protection for your mail. Perfect for those who value design and function in harmonious balance.

The generous dimensions of the BRENTANO® design mailbox allow for a capacity of approx. 20 litres, so larger items such as C4 envelopes or magazines can be received without folding — even after several days away. Top entry ensures comfortable handling. In addition, the mailbox is equipped with dampers that ensure the mail flap closes softly and quietly. The innovative Push-Key lock, concealed inside, allows opening without turning the key — simply insert the key into the slot and the door opens effortlessly. The clever arrangement of the lock and the access door prevents your mail from falling out when opened. Manufactured from stainless steel as well as galvanised steel and additionally powder-coated, this mailbox is particularly long-lasting and of high-quality workmanship.

The unique one-handed operating concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly simple handling: with just one hand you can open the mailbox, remove the mail and close it again. Protected by a utility model (DPMA file reference DE: 20 2021 101 679.5), this innovation offers genuine added value.

Thanks to its design, self-installation is straightforward.

- High-quality surface-mounted mailbox, powder-coated in RAL 7016 anthracite grey.
- Quality manufacturing - Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Comfortable locking without turning the key.
- Mailbox body made of 1.5 mm galvanised steel.
- Access door made of 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retaining plate prevents your mail from falling out towards you.
- Top insertion.
- The mail flap has an opening limiter that prevents it from touching the building wall. In addition, high-quality dampers ensure the flap closes silently and smoothly.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large letters fit in here without bending.
- Newspaper compartment (W x H 400 x 120 mm) made of 1.5 mm galvanised steel, powder-coated. Open on both sides.
- Includes self-adhesive, engravable nameplate.
- Individual, UV- and weather-resistant laser engraving with an elegant contrast effect. On dark surfaces the powder coating is precisely removed so that the brushed stainless steel becomes visible as a high-quality base. On light surfaces the engraving appears in a subtle dark grey.
- For surface wall mounting; mounting screws and spacers included.

Important information:

To achieve optimal protection of your mail from water, the mailbox or mailbox system should, where possible, be installed under a canopy.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not a reason for complaint.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BRENTANO
Functions	Newspaper compartment
