24-unit 8x3 surface-mounted mailbox system Design BASIC 385A AP - stainless steel, RAL 7016 anthracite | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey | with 24 mailboxes

Product number 385A-7016VA-24W

Product description

Wide surface-mounted mailbox system BASIC 385A for 24 households – BI-Colour RAL 7016 / Stainless steel

The BASIC 385A surface-mounted mailbox system for 24 households is a robust wall solution for larger multi-family houses, residential developments and commercial properties. The wider W version distributes the mailboxes across a multi-column front and keeps the overall system lower in proportion and easy to overlook.

The BI-Colour version combines anthracite grey powder-coated mailbox bodies with brushed stainless steel V2A elements. The material contrast gives the BASIC system a high-quality, modern appearance.

Each mailbox measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm insertion opening is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox is supplied with two keys with key number and an interchangeable nameplate located under the insertion flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain hood and side panels

Rain hood and side panels join the individual mailboxes into a closed surface-mounted system. The coordinated cladding provides a calm front and a neat finish at the façade.

DIN C4 insertion and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) mailboxes each offer approx. 12 litres of volume. The 35 × 265 mm insertion opening also accepts larger DIN C4 items in portrait orientation.

Quiet insertion and secure allocation

The rubber lip damps the insertion flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear allocation of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade mounting. A mounting rail simplifies installation; fixing material with screws and wall plugs is included in the described version.

BI-Colour in anthracite and stainless steel

RAL 7016 Anthracite grey fine-texture matt is combined with brushed stainless steel accents to create a striking material contrast. The system is manufactured in Germany at Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 24 individually lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material BI-Colour: galvanised steel in RAL 7016 with stainless steel V2A accents
Surface RAL 7016 Anthracite grey fine-texture matt / brushed stainless steel V2A
Standard DIN EN 13724

Mail and operation

Insertion opening 35 × 265 mm, suitable for DIN C4 portrait
Insertion flaps With noise-damping rubber lip
Mail removal From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate below the insertion flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain hood Solid, matching the system
Mounting type Surface-mounted wall installation
Installation aid Mounting rail
Fixings Screws and wall plugs included; suitability for the wall construction on site must be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be flat and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems, appropriate fastening solutions must be determined on site.

Note on weather protection

Mail is only optimally protected from moisture and soiling when items are fully inserted and the insertion flap is closed. Protruding letters or magazines can prevent the flap from fully closing.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey, Brushed
Removal of mail	On the front
Mounting type	Surface-mounted
Number of boxes	with 24 letterboxes
