Designer freestanding letterbox GOETHE ST-R with advertising panel 406x460 made of brushed stainless steel - RAL colour of your choice | 100mm depth

Product number 215-STR-1-WS-100

Product description

Design free-standing mailbox GOETHE ST-R with advertising panel 406 x 460 in brushed stainless steel - RAL colour of your choice

High-quality manufactured free-standing mailbox with elegant round-tube stand elements made of brushed stainless steel V2A. The mailbox body is made of stainless steel, powder-coated in the RAL colour of your choice. The advertising panel is brushed on the front (without lettering/print) and can be fitted on site with adhesive film, laser lettering or engraving. The ideal solution for presentation in outdoor areas. The modern GOETHE mailbox is ideal for sophisticated entrance areas. The linear design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the single box provide a capacity of approx. 16 litres; the large slot guarantees that even DIN-C4 envelopes and magazines — or mail after several days' absence — will not be creased. The innovative push-key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The positioning of the lock is designed so that the retrieval door prevents mail from falling out onto you. The internal mail is optimally protected from the weather by the water runoff edge. The insertion flap is fitted with high-quality axle dampers, ensuring quiet closing and preventing annoying rattling caused by weather.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy spare-part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-installation is uncomplicated.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- Free-standing mailbox made of stainless steel and aluminium.
- Mailbox made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in the RAL colour of your choice.
- Quality manufacture - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative push-key lock with 2 keys.
- Mail insertion and retrieval are from the front. Insertion flap with high-quality axle dampers for very quiet mail insertion.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large letters also fit in without being folded.
- The retrieval door opens from top to bottom. This prevents your mail from falling out towards you.
- Optional name inscription approx. 15–20 mm high.
- Optional house number inscription approx. 70–80 mm high.
- Optimal protection from rain thanks to rain runoff edges and a rain hood made of 3 mm aluminium AlMg3 W19, powder-coated in the RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in the RAL colour of your choice.
- The stainless steel sheet is brushed on the front (without lettering/print) and can be fitted on site with adhesive film, laser lettering or engraving. The print area measures W 396 mm x H 450 mm.
- The support posts consist of 60.3 mm stainless steel V2A 1.4301, brushed, for screw mounting or for embedding in concrete.

Important information:

To achieve optimal water protection for your mail, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a reason for complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
Series	GOETHE
