Product number 382XA-16W-100

Product description

16-unit 3x6 stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP - RAL colour of your choice

High-quality surface-mounted mailbox system for 16 units, manufactured in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made of stainless steel V2A, powder-coated in a RAL colour. The very high-quality workmanship and the well-thought-out concept make this mailbox system one of our bestsellers. A rain-drain edge for optimal water protection, a continuous rubber lip for quiet posting, the solid interchangeable nameplate, a practical mail retention bracket and the very robust lock characterise this surface-mounted mailbox system.

Thanks to the design, self-assembly is straightforward. The mailbox system is prepared for uncomplicated complete installation; there is no need for time-consuming wall-mounting of individual boxes.

- 16-unit surface-mounted mailbox system with mailboxes made of stainless steel V2A, powder-coated in a RAL colour.
- The system is manufactured by Briefkasten Manufaktur. German quality manufacturing "Made in Germany".
- The mailboxes comply with DIN/EN 13724. Entry aperture (3.5 cm x 32.5 cm) for C4 in landscape orientation — large envelopes fit without folding.
- Letter flaps with noise-dampening rubber seal for very quiet posting of mail.
- The doors open from left to right.
- Includes 2 keys with key number, interchangeable nameplate under the letter flap and a mail retention bracket per mailbox.
- Large capacity through optional mailbox depth +50 mm = approx. 17 litres. Suitable for businesses and households with very high mail volumes.
- Includes side cladding and rain hood made of stainless steel V2A, powder-coated in a RAL colour.
- For wall mounting, including mounting rail and fixing material (screws + wall plugs).

Important information:

Mail is protected from moisture and soiling only when fully inserted and the flap is closed. Under certain extreme weather conditions, water may still enter (according to DIN EN 13724 up to 1 cm³). This does not constitute grounds for a complaint.
