COMELIT apartment station LS8701 – 4.3? LOGOS video intercom with handset for 2-wire systems

Product number 1299-LS8701

Product description

COMELIT LS8701 home station - 4.3″ LOGOS video call station with handset for Simplebus 2

Expand your rooms or outdoor facilities with the **Comelit LS8701**, an elegant video call station from the LOGOS series, equipped with a handset for discreet calls. It fits perfectly in detached houses, apartment blocks and offices and is ideal for the Simplebus 2 system.

- **4.3″ colour TFT display (16:9)** - sharp image quality for the best guest recognition
- **Handset for private calls** - ideal for discreet door communication
- **Four programmable mechanical buttons** - e.g. for door opening, intercom, actuator control
- **Mute function & LED status display** - visually and acoustically customisable
- **NFC programming via MyComelit app** - even when switched off
- **Tactile centre markings** - barrier-free use for visually impaired people
- **CFP input** - for storey call, panic or actuator control
- **Metal backplate & riser terminal included** - simple surface mounting
- **Compact dimensions:** 186 × 180 × 35 mm

Why the LS8701 is convincing

1. **Discreet communication:** The handset protects your privacy.
2. **Customised control:** Four freely assignable buttons for flexible functions.
3. **Accessible technology:** Haptic elements and visual signals make it easier to use.
4. **Easy to configure:** NFC setup saves time during commissioning.
5. **Wide range of applications:** Customisable thanks to CFP input.
