Combination light scanners BASIC type 2

Product number BMLZB-LTVA-2

Product description

BASIC type 2 combination photoelectric proximity switch

High-quality combination momentary-action switch with microswitch & LED lighting for BASIC fascia panels. The crystal-clear housing of this light switch with microswitch promises a great look and ideally complements the transparent red cover. This attaches the insert with the large light symbol and thus clearly identifies this stylish illuminated switch.

Product properties

Material Stainless steel V2A 1.4301
