# 5-unit 3x2 design surface-mounted mailbox system GOETHE AP - RAL colour of your choice | 200mm depth | with 5 mailboxes

**Product number** 215-AP-5-200

## Product description

## 5-unit 3x2 design surface-mounted mailbox system GOETHE AP - RAL colour of your choice

High-quality manufactured 5-party surface-mounted mailbox system. The modern GOETHE mailbox is ideal for an upscale entrance area. The clean-lined design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large slot ensures that DIN C4 envelopes and magazines, or post accumulated during several days' absence, are not creased. The innovative Push-Key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. Due to the position of the lock, this mailbox is designed so that the collection door prevents the mail from falling out. The water drip edge provides optimal protection for the mail inside against the elements. The insertion flap is fitted with high-quality hinge dampers, ensuring quiet closing and eliminating annoying rattling caused by weather. The replaceable nameplates made of plexiglass can be conveniently operated from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with an 'Advertising Yes/No' insert.

The surface-mounted mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, straightforward spare-part assembly and uncomplicated self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-installation is uncomplicated.

**Protected utility model according to DPMA file reference DE: 20 2021 101 679.5**

- High-quality 5-unit surface-mounted mailbox made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailboxes made of stainless steel 1.4016 (corrosion-resistant magnetic stainless steel), powder-coated in RAL colour of your choice.
- Innovative Push-Key lock with 2 keys per unit.
- Letter insertion and collection are from the front. Insertion flap with high-quality hinge dampers for very quiet posting.
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large letters fit in without bending.
- Collection doors open from top to bottom, so the mail cannot fall out towards you.
- Plexiglass nameplate for name inscription and second nameplate with 'Advertising Yes/No' per unit.
- Optional house number labelling approx. 100–150 mm high.
- Optimal protection from rain through drip edges and a rain hood made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Includes mounting rail for wall installation.

**Important information:**

To achieve optimal water protection for your mail, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water if it is completely placed inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not grounds for a complaint.

## Product properties

| | |
|---|---|
| **Surface/colour** | RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white |
