Designer mailbox BRENTANO® with newspaper compartment - RAL colour of your choice | with newspaper compartment | ? Colour of your choice

Product number 803-RAL-ZF-AP

Product description

Design letterbox BRENTANO® - RAL colour of your choice

The BRENTANO® letterbox with a concealed lock combines modern design with first-class functionality. Manufactured from high-quality materials and powder-coated, it is not only an elegant design element for your home but also impresses with its durability. The clean lines and careful workmanship make the BRENTANO® letterbox the ideal choice for the highest design standards. Thanks to its robust construction, it is particularly weather-resistant and ensures reliable protection for your mail. Perfect for those who value design and function in harmonious balance.

The generous dimensions of the BRENTANO® design letterbox provide a capacity of approx. 20 litres, allowing larger items such as C4 envelopes or magazines to be received without bending – even after several days away. The top entry ensures comfortable handling. In addition, the letterbox is fitted with dampers that ensure the top flap closes smoothly and quietly. The innovative Push-Key lock, concealed inside, allows opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the collection door prevents your mail from falling out when opened. Made from stainless steel, as well as galvanised steel and additionally powder-coated, this letterbox is particularly durable and of high-quality workmanship.

The unique one-handed operation concept with the Push-Key lock, exclusively available from Briefkasten Manufaktur Lippe, allows especially easy handling: you can open the letterbox, remove the mail and close it again with just one hand. Protected by a utility model (DPMA file reference DE: 20 2021 101 679.5), this innovation provides genuine added value.

Thanks to the construction, self-installation is uncomplicated.

- High-quality surface-mounted letterbox, powder-coated.
- Quality manufacture - Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Comfortable locking without turning the key.
- Letterbox body made from 1.5 mm galvanised steel.
- Collection door made from 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retaining plate prevents your mail from falling out when opened.
- Top entry.
- The top flap has an opening limiter to prevent it from touching the wall. High-quality dampers ensure the flap closes quietly and gently.
- The letterbox complies with DIN/EN 13724. Entry size (3.5 cm x 36.0 cm) for C4 landscape, so large letters also fit without bending.
- Newspaper compartment (W x H 400 x 120 mm) made from 1.5 mm galvanised steel, powder-coated. Open on both sides.
- Includes self-adhesive, engravable nameplate.
- Individual, UV- and weather-resistant laser engraving with an elegant contrast effect. On dark surfaces the powder coating is precisely removed so that the brushed stainless steel appears as a high-quality base. On light surfaces the engraving appears in a subtle dark grey.
- For surface-mounted wall installation, including mounting screws and spacers.

Important information:

To achieve optimal protection of your mail from water, the letterbox or letterbox system should, if possible, be installed under a canopy.

Mail items are only protected from water if they are placed completely inside the box and the top flap is closed. Mail that is not fully inserted allows moisture and dirt to enter the letterbox. This system is protected against the ingress of water in accordance with DIN EN 13724. Water ingress is not a reason for a complaint.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Surface/colour	RAL 9005 deep black, DB 703 iron mica, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
