Designer freestanding mailbox BRENTANO® ST-R - Design Elegance 2 - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt

Product number 803-7016E2-STR

Product description

Design freestanding mailbox BRENTANO® ST-R - Design Elegance 2 - RAL 7016 anthracite grey

The BRENTANO® mailbox with elegant round-tube stand elements, a concealed lock and an elegant 100 mm stainless steel fascia including name inscription and house number in grey combines modern design with first-class functionality. Manufactured from high-quality materials and powder-coated, it impresses not only as a stylish design element for your home but also through its durability. The clear lines and careful workmanship make the BRENTANO® mailbox the ideal choice for the highest design standards. Thanks to its robust construction it is particularly weather-resistant and ensures reliable protection for your post. Perfect for those who value design and function in harmonious balance.

The generous dimensions of the BRENTANO® design mailbox provide a capacity of approx. 20 litres, so larger items such as C4 envelopes or magazines can be received without folding – even after several days away. The top mail slot ensures comfortable handling. In addition, the mailbox is fitted with dampers that ensure a soft and quiet closing of the mail flap. The innovative Push-Key lock, concealed inside, allows opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the access door prevents your post from falling out when opening. Manufactured from stainless steel, as well as galvanized steel and additionally powder-coated, this mailbox is particularly durable and of high-quality workmanship.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly simple handling: with only one hand you can open the mailbox, remove the post and close it again. Protected by a utility model (DPMA file reference DE: 20 2021 101 679.5), this innovation offers real added value.

Thanks to the construction method, self-assembly is straightforward.

- High-quality manufactured freestanding mailbox, powder-coated in RAL 7016 anthracite grey.
- Quality manufacturing - Made in Germany
- Design Elegance 2: 100 mm stainless steel fascia, brushed with 240-grit finish.
- Innovative Push-Key lock including 2 keys with key number. Convenient locking without having to turn the key.
- Mailbox body made of 1.5 mm galvanized steel.
- Access door made of 1.5 mm stainless steel V2A 1.4301 with opening restrictor, opens downward. The retaining plate prevents your post from falling out towards you.
- The mail slot is top-loading, and the flap is equipped with an opening restrictor and high-quality dampers that enable quiet closing.
- The mailbox complies with DIN/EN 13724. Entry size (3.5 cm x 36.0 cm) for C4 landscape – large letters also fit without creasing.
- Optional newspaper compartment, rear-mounted (W x H x D 400 x 200 x 50 mm) made of stainless steel, powder-coated. Open on both sides.
- Individual UV- and weather-resistant laser engraving.
- The stand posts are made of 60.3 mm stainless steel V2A 1.4301, brushed, for screw mounting or for setting in concrete.

Important information:

To achieve optimal protection of your mail from water, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water if it is placed completely inside the box and the mail flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This unit is protected against water ingress according to DIN EN 13724. Water ingress is not grounds for complaint.

Product properties
