9-unit surface-mounted mailbox system Design BASIC 385 A 220 - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | 300x220x385 mm (WxHxD) - ???? Large 25 litres | with 9 mailboxes

Product number 385A220-7016-9

Product description

Surface-mounted mailbox system BASIC 385A 220 for 9 households – 25 litres per compartment – RAL 7016 Anthracite grey

The BASIC 385A surface-mounted mailbox system for 9 households is a robust wall solution for apartment buildings, residential estates and commercially used properties. The balanced arrangement groups all mail compartments into a clearly structured and visually unified wall unit.

The mailboxes are made of galvanised steel and powder-coated in RAL 7016 Anthracite grey fine-texture matt. The close-fitting cladding with a rain canopy unites the individual compartments into a continuous, modern surface-mounted system.

Each compartment measures 300 × 220 × 385 mm (W × H × D) and offers approx. 25 litres of volume. The 35 × 265 mm insertion opening is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox is supplied with two keys with key number and a changeable nameplate located beneath the insertion flap.

The advantages of the BASIC 385A 220 surface-mounted system at a glance

Rain canopy and side panels

The rain canopy and side panels join the individual mail compartments into a continuous surface-mounted system. The matched cladding ensures a calm front and a neat finish at the façade.

25 litres mail volume per compartment

The 300 × 220 × 385 mm (W × H × D) compartments each provide approx. 25 litres. The 35 × 265 mm insertion opening also accepts larger DIN C4 items in portrait format.

Quiet insertion and secure allocation

The rubber lip damps the insertion flap. Robust locks, two keys with key number and protected changeable nameplates ensure clear assignment of the individual mail compartments.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail simplifies installation; fixing material with screws and wall plugs is included in the described configuration.

Robust surface in RAL 7016

The anthracite grey fine-textured surface gives the system a modern appearance and protects the galvanised steel for daily use on the building. The system is manufactured in Germany by Briefkasten Manufaktur Lippe.

Equipment of the BASIC 385A 220 mailbox system

Mailbox system

Number of mailboxes 9 individually lockable compartments
Single compartment 300 × 220 × 385 mm (W × H × D)
Volume Approx. 25 litres per compartment
Material Galvanised steel, powder-coated in RAL 7016 Anthracite grey fine-texture matt
Surface RAL 7016 Anthracite grey fine-texture matt
Standard DIN EN 13724

Mail and operation

Insertion opening 35 × 265 mm, suitable for DIN C4 portrait
Insertion flaps With noise-dampening rubber lip
Mail collection From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Changeable nameplate beneath the insertion flap

Cladding and wall installation

Side cladding Close-fitting design
Rain canopy Robust canopy matched to the system
Mounting type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; check suitability for the wall construction on site
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall installation

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems, appropriate fixing solutions must be determined on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the insertion flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Number of boxes	with 9 letterboxes
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Removal of mail	On the front
Boxes by volume	Large > 16 litres
Mounting type	Surface-mounted
