Product description

17-compartment 6x3 stainless steel flush-mounted letterbox system BASIC Plus 382XU UP - brushed stainless steel - 17 units

Modern flush-mounted letterbox for 17 units - made in Germany by Briefkasten Manufaktur.

The letterbox is made entirely of stainless steel V2A, brushed. The very high-quality workmanship and the well thought-out concept make this flush-mounted letterbox one of our bestsellers. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical mail retention bar and the very robust lock characterise this flush-mounted letterbox. The flush-mounted frame made of stainless steel V2A is fitted with a foam rubber seal and guarantees very high durability.

The letterbox systems of the BASIC Plus collection are characterised by the consistent use of stainless steel V2A. The result is very high longevity and sustainability. The construction has been developed by our own engineers with a view to high flexibility/modularity, easy spare-part assembly and straightforward self-installation. Spare parts are readily available for all BASIC Plus systems.
