Busch-Jaeger Busch-Welcome® Video indoor station 4.3" WLAN white surface-mounted

Product number 1246-M22401-W-03-AP

Product description

Thanks to the WLAN connection and connectivity to myBUSCH-JAEGER, the video indoor station 4.3 WLAN enables the use of the Busch-Welcome® app (locally and remotely). This provides a secure connection to your own door communication system at any time and from any location. This video indoor station impresses with its intuitive and minimalist user interface. The operating concept has been designed to enable users to independently connect and disconnect mobile devices. There are 6 buttons on the front for operation and an additional button on the side that leads to the menu and settings. QR codes in the device menu link to user-friendly videos for commissioning and pairing these end devices.

- Surface-mounted installation 12 mm.
- Intuitive minimalist user interface.
