Product description

6-unit stainless steel surface-mounted mailbox BASIC Plus 382X AP with side bell box

German quality manufacture "Made in Germany" by Briefkasten Manufaktur. The complete 3-unit surface-mounted mailbox is made of weather-resistant stainless steel V2A, brushed. A rain drainage edge for optimal water protection, a double-folded letter flap with rubber buffer, the solid interchangeable nameplate, a practical post retention bar and the very robust lock characterise this stainless steel mailbox.

The mailbox systems of the BASIC Plus collection are distinguished by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, simple spare-part assembly and uncomplicated self-installation. Spare parts are directly available for all BASIC Plus systems.

Thanks to the design, self-installation is straightforward. The mailbox system is prepared for uncomplicated complete mounting; there is no need for time-consuming wall mounting of individual boxes. 6-unit surface-mounted mailbox made of high-quality, weather-resistant stainless steel V2A 1.4301, brushed.

Key benefits at a glance

Close-fitting stainless steel cladding with rain hood

Side cladding and rain hood are included with this version and are made of stainless steel V2A, brushed. The close-fitting design forms a closed, structurally coordinated unit with the mailbox system.

Generous letter aperture

The letter aperture measures 35 × 325 mm and is designed for DIN C4 landscape. The mailbox complies with DIN EN 13724.

Quiet insertion and comfortable removal

The integrated flap damping with rubber buffer reduces impact noise during insertion. The post retention bar holds items back during removal.

Integrated bell and intercom section

Bell box made of stainless steel V2A 1.4301, brushed. The stainless steel bell push Type 4 is used. Optionally prepared with a speaking grille for the installation of standard intercom systems or flush-mounted speakers. (Intercom system/flush-mounted speakers not included). A version with the Comelit Ultra video complete kit is also available as an option.

Quality manufacture and considered design

The system is manufactured at the Briefkasten Manufaktur in Germany. The design is intended for straightforward self-installation.
