Product number 382XA-2S-100

Product description

2-unit stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP - RAL of your choice

High-quality surface-mounted mailbox for 2 households made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made from stainless steel V2A 1.4301, powder-coated in a RAL colour. The very high-quality workmanship and the well thought-out concept make this mailbox system one of our top sellers. A rain drip edge for optimal water protection, a continuous rubber lip for quiet insertion, a sturdy interchangeable nameplate, a practical mail retention bar and a very robust lock distinguish this surface-mounted mailbox system.

The mailbox systems of the BASIC Plus collection are characterised by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part installation and uncomplicated self-installation. Spare parts for all BASIC Plus systems are available directly.

Thanks to the design, self-installation is straightforward. The mailbox system is prepared for uncomplicated complete installation; there is no need for laborious wall-mounting of individual compartments.

- 2-unit surface-mounted mailbox system completely made from stainless steel V2A 1.4301, powder-coated in a RAL colour.
- The system is produced by Briefkasten Manufaktur. German quality manufacturing "Made in Germany".
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape — large letters also fit without folding.
- Insertion flaps with noise-damping rubber seal for very quiet mail insertion.
- The doors open from left to right.
- Includes 2 keys with key number, an interchangeable nameplate under the insertion flap and a mail retention bar per mailbox.
- Large capacity thanks to optional mailbox depth +50 mm = approx. 17 litres. Suitable for businesses and households with very high mail volumes.
- Includes side cladding + rain canopy made from stainless steel V2A, powder-coated in a RAL colour.
- For wall mounting; includes mounting rail and fixings (screws + wall plugs).

Important information:

Mail is protected from moisture and soiling only when fully inserted and the flap is closed. Under certain extreme weather conditions, water may still enter (according to DIN EN 13724 up to 1 cm³). This is not a reason for complaint.
