13-unit 7x2 surface-mounted mailbox system Design BASIC 385A-7016 AP - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | with 13 mailboxes (2x7) | 300x110x385 mm (WxHxD) - ?? Normal 12 litres

Product number 385A-7016-13W

Product description

Wide surface-mounted mailbox system BASIC 385A for 13 tenants – RAL 7016 Anthracite Grey

The BASIC 385A surface-mounted mailbox system for 13 tenants is a robust wall solution for larger apartment buildings, residential complexes and commercial properties. The wider W version distributes the compartments across a multi-column front and keeps the overall system lower and more orderly in proportion.

The mailboxes are made of galvanised steel and are powder-coated in RAL 7016 Anthracite Grey, fine-textured matt. The close-fitting cladding with weather canopy joins the individual compartments into a continuous, modern surface-mounted unit.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm letter slot is designed for DIN C4 items in portrait orientation. The doors open from left to right; each mailbox is supplied with two keys bearing a key number and an interchangeable nameplate beneath the letter flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Weather canopy and side cladding

The weather canopy and side panels join the individual compartments into a continuous surface-mounted unit. The coordinated cladding provides a calm front and a neat finish at the façade.

DIN C4 letter slot and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) compartments each offer approx. 12 litres of volume. The 35 × 265 mm letter slot also accepts larger DIN C4 items in portrait orientation.

Quiet insertion and secure allocation

The rubber lip dampens the letter flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear assignment of the individual compartments.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail facilitates installation; fixings including screws and wall plugs are included in the described specification.

Durable finish in RAL 7016

The anthracite grey fine-textured surface gives the system a modern appearance and protects the galvanised steel for daily use on the building. The system is manufactured in Germany by the Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 13 individually lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per compartment
Material Galvanised steel, powder-coated in RAL 7016 Anthracite Grey fine-textured matt
Finish RAL 7016 Anthracite Grey fine-textured matt
Standard DIN EN 13724

Mail and operation

Letter slot 35 × 265 mm, suitable for DIN C4 portrait
Letter flaps With noise-damping rubber lip
Mail retrieval From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the letter flap

Cladding and wall mounting

Side cladding Close-fitting design
Weather canopy Robust, matching design for the system
Mounting type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; check suitability for the wall construction on site
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be flat and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems appropriate fixings must be determined on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the letter flap is closed. Oversized letters or magazines protruding may prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Removal of mail	On the front
Mounting type	Surface-mounted
Number of boxes	with 13 letterboxes

Dimensions

Height of single box in mm	110.0
Width of single box in mm	300.0
Capacity in litres	12
Height of letterbox slot in mm	35.0
Width of letter slot in mm	265.0
Height of letterbox in mm	770.0
Width of letterbox system in mm	600.0
Total width in mm	608.0
Depth in mm	435.0
Weight in kg	75
Delivery condition	Delivered partially assembled.
