ekey NT REG 230 VAC/24 VDC/2 A

Product number 1245-100891

Product description

ekey NT REG 230 VAC/24 VDC/2 A

The ekey power supply unit for series installation with 230 VAC input voltage, 24 VDC output voltage and 2 A output current supplies the ekey devices with the required electrical energy. This power supply unit is intended for use in domestic and commercial applications. The ekey REG power supply unit is designed for fixed installation on a DIN rail, e.g. in a distribution box, and for use in protected indoor areas.
